

## How to cite us

### Lexogen NGS Services

We are always very excited to read publications our Services team has contributed to! We would appreciate it if you would send us your work at [productmanagement@lexogen.com](mailto:productmanagement@lexogen.com).

Please mention Lexogen NGS Services in your paper's Acknowledgments and/or Methods section. For all experimental details of your project, including a materials & methods report, please contact [services@lexogen.com](mailto:services@lexogen.com).

Examples of how you can cite us in your publication:

#### Start from Extraction

"Total RNA/ DNA extraction, library preparation, sequencing, and bioinformatics analysis was performed by Lexogen NGS Services (Vienna, Austria)."

#### Sequencing-only

"Quantified libraries were sent to the Lexogen NGS Services for sequencing", or "Libraries were sent to the Lexogen NGS Services (Vienna, Austria) for sequencing."

#### Start from Library Prep

"RNA/ DNA samples were processed by Lexogen NGS Services for transcriptome sequencing (Vienna, Austria)."

"RNA/ DNA was extracted using the SPLIT RNA Extraction Kit (#008, Lexogen) and sent to Lexogen NGS Services in Vienna for library preparation and sequencing."

"Library preparation and sequencing were performed by Lexogen NGS Services (Vienna, Austria). For gene-expression analysis (**or insert other application**), the in-house Lexogen pipeline was used."

#### Lexogen Bioinformatics Service

"Bioinformatic data analysis of (**insert what type of analysis**) was performed by Lexogen Bioinformatics Services (Vienna, Austria)."
